gift wording and poem ideas

1 .

Many of our guests have enquired
For a gift idea to be inspired
We have enough dishes and towels for two
So we have a favour to ask of you.
A wishing well we thought would be great
(But only if you wish to participate)
A gift of money, an amount you can afford
Would be really appreciated, you can be assured
At our reception, drop your gift in the well
Then make a wish, but shhh... don't tell!
We hope our request is okay
For this would help make our day
Then when we choose something new
We can say it was all thanks to you
And in return for your kindness, we are sure,
That you will get what you wished for.

2 .

As our special day draws near
we hope our sentiment is clear
Our dearest wish is that you're there
And in our happiness you'll share.
Your presence is what matters most,
no gadgets for our tea & toast.
But if a gift is on your mind,
a small contribution would be kind.
So Thank you is all that's left to say.
We hope to see you on our wedding day

3 .

Please do not feel obliged to buy us a gift,
your presence on our wedding day is the
most important gift that you could give us.

However if you would like to buy us something
we would be most grateful to receive a contribution
toward our honeymoon.

4 .

We are sending out this invitation
In the hope you will join our celebration,
But if a gift is your intention
May we please take this opportunity to mention,
If you were thinking of giving a gift,
to help us on our way
A gift of cash towards our house,
would really make our day.

5 .

When thinking of a gift for us
We ask if you'd please consider
Contributing to our honeymoon
to make it all the sweeter.

Our house is full of all the things
a couple could require,
and so a holiday away
is what we most desire.

Then while we're relaxing on the beach
or by the pool so blue
we'll sit back and know
that it is truly thanks to you!

6 .

The biggest gift to us is your attendance
at the celebration of our marriage.

However if you do wish to buy a gift we do have a list at;

(Gift list registry name)
(www.website.com)

Our gift list number is 456789.

gift wording and poem ideas

7 .

The most important gift to us is to have you share our day, but should you wish to contribute in some other way, then a contribution to our honeymoon would be very gratefully received.

8 .

If you're thinking of giving a gift, to help us on our way, a gift of cash towards our honeymoon, would really make our day. However, if you prefer to purchase a gift, feel free to surprise us in your own way.

9 .

We hope you can join us in celebrating our marriage! Please know that your presence is the best gift you could provide. Please do not feel obligated to give anything else. But should you feel inclined, we are very much looking forward to a honeymoon and any contribution towards that will always be sincerely appreciated.

10 .

Please do not feel obliged to buy us a gift; we just want you to come have a good time with us! However, if you prefer to purchase a gift, feel free to surprise us!

11 .

We are sending out this invitation
In hope you will join a celebration
But if a gift is your intention
May we take this opportunity to mention
We have already got a kettle and toaster
crockery, dinner mats and matching coasters
So rather than something we've already got
We would appreciate money for our honeymoon pot
But most importantly we request
That you come to our wedding as our guest.

12 .

We know it's traditional to write a list,
But in this case there is a slight twist.
Our home is complete with the usual stuff,
And the things that we have are good enough.
Our dream is to honeymoon in a foreign land,
And walk along the beach hand in hand.
We hope you don't think of us as being rude,
And that our request is not misconstrued.
But a contribution to our honeymoon pot,
Would be appreciated such a lot.
But the most important thing to say,
Is that you are there to celebrate our day!

Being as we're tying the knot,
Here's what we ask, it's not a lot;
Don't go hunting for gifts for our wedding,
Cut glass, china or frilly bedding –
Pots and pans, frames or cutlery,
What we'd really like is a money tree!
To plant out back by the garden gnomes,
To grant our wishes, improve our home,
But they're out of stock at B&Q,
So dear friends, it's down to you!
We're saving up for all things nice,
So please take our newly-wed advice,
A coin or two to boost the bank,
Would be received with love and thanks,
Don't feel obliged though to donate,
Please come and help us celebrate!

1 4 .

You're invited to our wedding, when we both say 'I do'
And as you know we've been 'I do'-ing
for at least a year or two!
We've been together a while now
and have a lovely home,
There's not that many items we don't already own.
So if your thoughts were on a gift,
your presence will suffice;
But if you really want to give a gift,
Donations to a honeymoon would be really nice!
The choice is really up to you and we'd just like to say;
That most of all, we hope you come, enjoy yourselves,
And have a lovely day!

1 5 .

More than just kisses so far we've shared,
Our home has been made with love and care,
Most things we need we've already got,
And in our home we can't fit a lot!
A wishing well we thought would be great,
(But only if you wish to participate),
A gift of money is placed in the well,
Then make a wish... But shhh don't tell!
Once we've replaced the old with the new,
We can look back and say it was thanks to you!

1 6 .

As you are aware, we have already
set up home together, and have many of the
items that would make traditional wedding gifts.
Therefore a gift of money towards our new life
together or vouchers from
John Lewis ~ Marks & Spencer ~ B&Q
would be greatly appreciated.

A wedding post box will be at the reception
on our special day for any messages, vouchers,
money and cards.

1 7 .

For a couple of years we've lived in sin,
We have a toaster, a kettle and a stainless steel bin,
Saucepans and towels we have many,
Corkscrews and flannels we don't need any,
We just want you with us on our special day,
But if you insist on a gift anyway,
We hope you don't think we're being funny!
But we'd really appreciate a gift of money,
We'll put it all together and buy something that's best,
As a reminder of our day and our wonderful guests.

Please find within this poem, information just for you,
With some rules and regulations,
that we both insist you do.
Save the date of the 1st of May
is the very first thing to say,
To share the love and happiness, on our Wedding Day.
The second one is vital, if you're going to be our guest,
To eat, drink and be merry or do your very best.
The third rule can be broken, we really do not mind,
But if you choose to follow it, thank you for being kind.
A gift is not requested, your presence will suffice,
But if you really feel the need then money would be nice.
The choice is really up to you and we would like to say,
We hope you come and enjoy yourselves on our very
special day.

As you know, we're getting wed.
We've got everything for our house - even the bed!
It doesn't matter, whether your gift is big or small.
Whatever you give, we'll appreciate it all.

2 1 .

We've been together quite a while
and have a lovely home,
There are not too many items that we don't already own.

So if your thoughts were on a gift,
your presence will suffice,
But if you really feel the need
then vouchers would be nice.

The choice is really up to you and we would like to say
We hope you come, enjoy yourselves
and have a lovely day.

The date has been set and we'd love you to come,
To our wedding in (place name), a long way for some,
All you must do, is decide what to wear,
Then polish your jewellery and comb up your hair.
Don't worry about gifts, don't buy us a yacht,
The things that we need, we've already got.
Our home is quite compact, we may have to move
Then our storage and space will surely improve.
Don't go out shopping or get yourself stressed,
Don't alter your plans for a pre wedding rest.
If you want to be generous, despite what we've said,
Then save all the hassle and do this instead....
Don't know how to word this but will give it a shot.
Contributions are most welcome, we'll go somewhere hot!
A honeymoon would be marvellous, to start off our life,
In our long winding journey, as new husband and wife!

2 3 .

We haven't got a wedding list, the reason we'll explain
It's to save you all the hassle as shopping is a pain

We thought we'd ask you all for something else instead
A little contribution for a honeymoon in the Med

So if you'd like to contribute towards our honeymoon
We offer you our heartfelt thanks
With love, the Bride and Groom

2 4 .

We know it's not traditional it's not the way it's done
But instead of a wedding list we'd like a bit of sun.

Please do not think of us as rude please do not take offence
We do not want to upset you, that's not the way it's meant.

We've lived together quite a while and all the bills are paid
We've got our plates, our pots and pans, our plans have all
been made.

So if you'd like to give a gift to help us celebrate
Some money for a honeymoon we would appreciate
